KAPA HAKA AT NZIS

Last Friday when the New Zealand Ambassador, Dr Trevor Matheson, visited he was treated to a Kapa Haka performance by our Secondary students. He enjoyed it so much that he invited the students to attend a function at the University of Indonesia where he was a guest speaker, to be on stage as a support performance for himself.

A selected smaller group of senior secondary students travelled by bus to the University on Tuesday and performed a traditional waiata (song) and haka on stage before the ambassador's speech.

As an added bonus the performance was filmed for television. The performance will be aired on TV on Sunday, 5th June 2016 between 9.05 pm and 9.30 pm (Metro TV channel).

We are all very proud of our students who rose to this challenge in spectacular fashion.

Thanks to Ms Barbara, Mr Stephane and Ms Nellie who accompanied the group on Tuesday.

Also thanks to Mr Rocky who laid the foundation for this group through teaching kapa haka while he was a teacher on the Secondary Campus.

PARENT-TEACHER INTERVIEWS

There will be a day change to the parent-teacher interview date shown on the school calendar.

The interviews will now take place on Tuesday 7th June between 1:00 and 7:00 pm. Reports will be issued on June 6th, as on the calendar, so parents will have these to use in discussion with teachers.

The school will be closed for instruction all day on June 7th on both Campuses.

Notices with return slips for preferred times will be sent home soon. If the allocated timeframe is absolutely not suitable for you an individual interview time can be made through Primary or Secondary Reception; however we do ask that you support us by trying to keep to the day we have set aside for the interviews.

SECONDARY SPORTS

The Secondary Sports Carnival is postponed to a later date. It will now be held in Term 3 on the same day as Primary- 9th September. This decision was made due to Ramadhan fasting in the month of June.

EDUCA

It's great to see so many parents are now joined up to Educa and beginning to give feedback on the learning stories and class events recorded there.

Just this week I've heard from parents how much they enjoy logging on and checking out the new learning their child has been involved in.

We still have a list of "pending" invitations, but it is getting smaller. There are currently 10 children from all Early Years and Primary classrooms who have NO ACTIVE PARENT ACCOUNTS. I will send one more re-invitation today in the hope of getting the last of you to join Educa.

I have also discovered a new trend; several of our pending invitations are from you, the parents, inviting wider family – grandparents, aunties & uncles etc to join Educa so they can view your child's learning too. This is an exciting development!

JASIS SWIMMING SPORTS

Good luck to the 12 swimmers from Years 3-6 who will be taking part in the JASIS Swimming Carnival at AIS tomorrow.

National Exams

Primary Level

According to Indonesian Government regulation, especially The Ministry of Education, Indonesian students are obligated to participate in the National Exam held by the Ministry. As we did with the students in Junior High Level last week, we have also finished the National Examination for Primary Level.

The National Exam for Primary Level was held in the week of 16th to 20th of May 2016 at SDS Kembang, Kemang and also in NZIS. The participants of the exam here at NZIS were two Indonesian students from Year 6.

As this is the first time for our school to participate in the National Exam, we have to join to a school that is accredited ready for the National Exam, and we chose SDS Kembang. We gave our best to prepare for it and we are pleased to say it all went very well.

PRIMARY POST!

Hopefully in years ahead our school can participate with a greater number of participants than this year and is ready to hold the exam independently in our school.

We are looking forward to the next National Exam in 2017.

PRIMARY POST!

Year Two Whanake

Week Six has been a week filled with mathematics in Year Two. We've been exploring the idea of patterns in colour, shape and number. The students came up with a range of both simple and complex patterns.

PRIMARY POST!

Here we've started getting our latest masterpieces up. These are based on the story, I Will Never Not Ever Eat A Tomato by Lauren Child. Can you guess who the artists are based on their artwork?

The Jakarta Post Publication

“The Jakarta Post Publication” by English Language Students:
(Part 1)

Our creative students made us proud when their writing was selected for publication in the newspaper. Well-done folks. Keep Writing..

By Jasmine Year 10

I awoke one night to a cry

My whole life, I could feel it, was fueled by sadness, hatred, bitterness.

I was alone in the dark when a woman came out.

Who is she? She is so ugly and the dress is so filthy and smelly.

I heard her ranting about how unfair everything was.

She did this everyday and at night she would cower in bed like a tortured crow.

I sat, not being able to move, watching her, feeling her bitterness, rage, hatred and urge for murder getting stronger everyday.

Then one day she did the unthinkable, she went too far.....

She picked up a knife and moved towards me and stabbed me.

At first I could feel my life force slipping away.....

Then I remembered

I don't have a life, a heart...

I am a Cake....!!!!!!
