

## **ACADEMIC PLANS FOR 2018**

Dear Parents and Secondary 1 & Secondary 2 students,

NZIS offers you the following subjects for 2018. We offer a challenging program, which caters to variety of interests but still allows solidity and consolidation in our core programs. NZIS secondary year levels follow the Cambridge Secondary Curriculum as well as the National Curriculum of England as its foundation. It is helpful you have read the Subject Guidelines provided with website link which offers information on each of these subjects.

“2018 Secondary 1 students will take their School wide Mid-Year and End of Year Exams”

**“2018 Secondary 2 students will take their Secondary Checkpoint Cambridge Examinations in June 2018 as an accelerated course” IGCSE course will start from July 2018 for English/Math & Science.**

At the end of Secondary 2 all students are encouraged to participate in Cambridge Primary/Secondary Checkpoint Examination which have been designed to assess learners’ performance with an external international benchmark. They are available in English, English as a Second Language, Mathematics and Science, and provide a valuable feedback on learners’ strengths and weaknesses before they progress to the next stage of education. Every student will receive a statement of achievement and a diagnostic feedback report, with detailed information.

For any concerns about the subjects, please talk to the subject teacher or Ms. Bagyam.
