

ACADEMIC PLANS FOR 2018

Dear Parents and students of Secondary 1 & Secondary 2 students,

NZIS offers you the following subjects for 2017. We offer a challenging program, which caters to variety of interests but still allows solidity and consolidation in our core programs. NZIS secondary year levels follow the Cambridge Secondary Curriculum as well as the National Curriculum of England as its foundation.

At the end of year 7 and year 9 all students are encouraged to participate in Cambridge Primary/Secondary 1 Checkpoint Examination which have been designed to assess learners' performance with an external international benchmark. They are available in English, English as a Second Language, Mathematics and Science, and provide a valuable feedback on learners' strengths and weaknesses before they progress to the next stage of education. Every student will receive a statement of achievement and a diagnostic feedback report, with detailed information.

For any concerns about the subjects, please talk to the subject teacher or Ms. Bagyam.

1. First Language English or English as Second Language
2. Second Languages – French/Indonesian/Mandarin Chinese
3. Mathematics
4. Sciences (Physics, Chemistry & Biology)
5. Social Studies (History & Geography)
6. Art and Design
7. Information and Communication Technology
8. Physical Education

In addition to the above NZIS also offer the following to different year levels:

- *After School Activities (Basket Ball/Badminton/Photography Club/TOEFL & SAT coaching/Thinking Skills/Taekwondo/Swimming Club/Exam Revisions)
- * Compulsory Bahasa language studies with civics
- * Religious Studies / Moral Education
- * The Duke of Edinburgh's International Award (Junior Programme)
