Around The School This Week

Today, our Early Years classes enjoyed watching and riding around in a local bajaj. Staff organised for the students to have this experience within the NZIS carpark, to enhance their investigations into different forms of transport.

On Wednesday, four of our teachers went off to participate in Professional Development at the North Jakarta Intercultural School. They found the sessions very worthwhile and came back to share some very relevant websites and strategies that other staff are keen to experiment with, and apply, in their own classrooms. The Sessions included:

- **Teaching Creative Writing** by Rebecca Cays
- **Teaching 8-12 year old Children Through Games** by Kristin Peterson
- **Using Technology for Teaching Early Primary** by Seth Heisel
- **Overview On Leading Educational Programs** by Celine Bravo

Assembly

Huge congratulations to our **Year 3 Tane Mahuta** class who led our assembly this morning and shared their wonderful learning stories about the conduction of electricity to light a bulb, their books about other countries, and Victoria even described writing a story to be like making a hamburger..... one layer at a time. Their work with the Gundul Gundul Pacul song, from Central Java, was also very impressive, with their use of the rhythm sticks in perfect unison. Well Done Year 3!

Jump Jam

Today's session was led by our New Entrant Ika class, with two new songs and some creative new actions. I think the 'Gummy Bear' routine is now my new favourite. Mr Rizky, Ms Sukma and Ms Eimear did a great job leading, but the children were fabulous!

COMING UP NEXT WEEK

Our New Entrant and Year 1 classes will be going on an excursion this Wednesday 25th of November to Pizza Express. We ask that they all wear their batik formal uniform and have returned all permission forms, so that staff can take them off our NZIS campus.

SCHOOL FEES

Can all parents please ensure they have finalised the payment of all 2015 school fees, to ensure that all student reports can be distributed in Week 9.

SWIM CARNIVAL

Don't forget that our Year 3 – 6 Swim Carnival is on Wednesday December 2nd. All parents are welcome to come along and cheer!

AFTER SCHOOL ACTIVITIES

Please note that next week is our last week for After School Activities for 2015. We are currently preparing the list of After School Activities for Term 1 2016, and these will be available for parents to register students before the end of the year. Please note that registration will remain open until the first week of the new school year, so that new students can be catered for. A lottery system will be in place for any ASAs that are over-subscribed.

LIBRARY

Library borrowing has now closed for 2015. Students and staff can no longer borrow from the library, and we ask that parents make every effort to ensure their children return all readers and books to school by the end of next week, before bills get sent out.

Enjoy the weekend ahead.

Uenuku

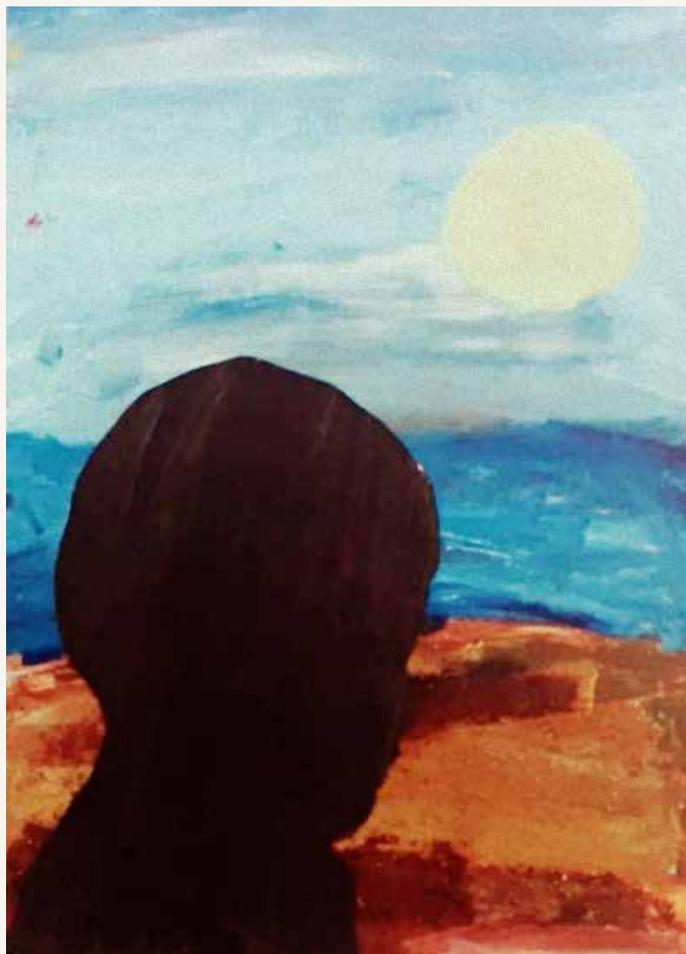

The Inquiry theme of JOURNEYS has been so much fun in Year 2 this term. These photos capture a moment in time where the children got to apply the skills of reading co-ordinates into real life situations. One was journeying through an orienteering course and the other was playing our version of the popular game Battleships.

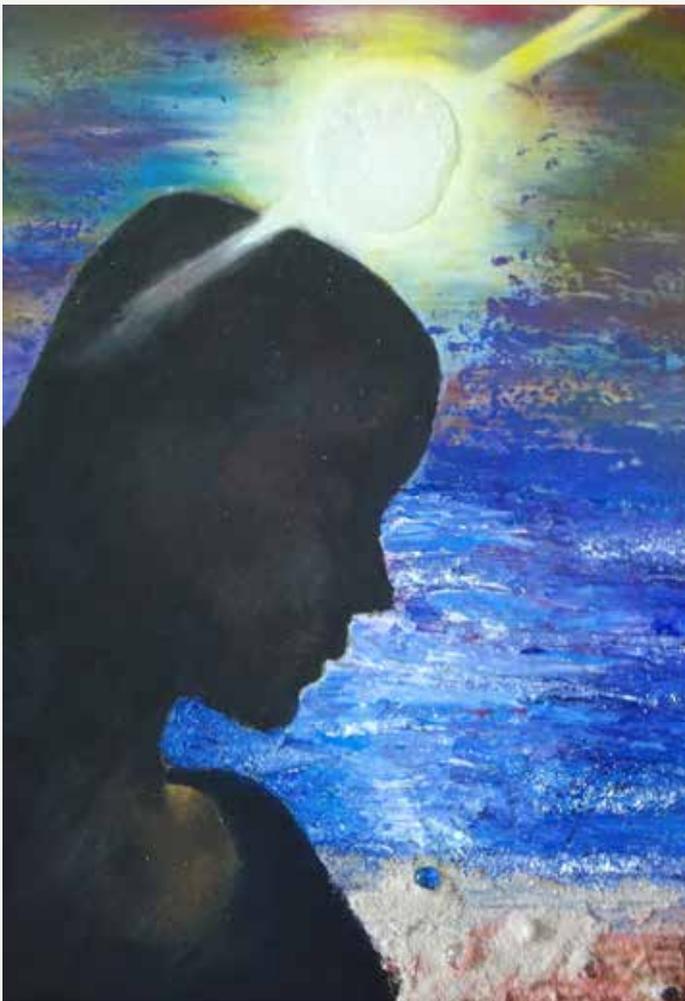

Balloons popped, ships were sunk and alliances were formed.

Inspirational artwork at NZIS

AS Level student Wakana Furusho has proved to be a very important role model for our primary students. Ms Paula's Year 2 class came to visit our Secondary Art Exhibition at the end of Term 3 and they were so inspired by her mixed media, silhouette composition that they completed a collection of inspirational compositions in response to what they had observed.

Congratulations to both Wakana and the Year 2 students who experimented with a range of media and techniques through their exploration, and great work Ms Paula on guiding the Year 2 students through this process.

SECONDARY STANDARDS!

EXAMS ARE OVER!!

After just over a month, the Cambridge examinations have finished! 88 exams have been studied for and sat, 487 papers, art works and speaking exams have been carefully packaged and sent to the UK for marking.

Now we have to wait until January to see the fruits of the student's and teacher's labour.

A huge THANK YOU to everyone involved in the invigilation, set up, coordination and running of the exams, and a massive GOOD LUCK to the students for their results.

Students will be notified shortly about the arrangements for results day.
