"I have learned that success, should be measured, not by the position that one has reached in life, but by the obstacles which one has to overcome while trying to succeed"

At the moment the school is still working on what is going to happen in terms of leadership with the school. All I can tell you is that Ms. Denise will continue to do fantastic things in Primary and that Ms. Stacey with the help of all the secondary staff will ensure that Secondary students get every opportunity to succeed in their upcoming Cambridge examinations.

The school is in a time of real transition now and as parents it is very important to be involved in ensuring you get answers to concerns and know the projected direction of the school for the future.

The students have been amazing this week and the secondary students in particular are perfect examples of what a quality education can ensure. They have shown resilience in the face of problems and they have taken initiative, by being proactive in a formal and positive manner. All parents and staff can take pride in the way they have handled themselves over this last week and I am very proud to have played a small part in nurturing their creative minds.

Thanks again to our fabulous NZIS community who have shown my family and I, so much support and appreciation. It has been overwhelming at times and Jodie and I are humbled by the waves of messages and gestures from parents, caregivers, teachers, local staff and students.

We will still be in Indonesia and will look forward to being a parent of the school and supporting our two children until the end of the year.

Thanks again to everyone for your love and support and we wish everyone happiness and success.
